MEMORANDUM FOR: Deputy Director for Management and Services

SUBJECT : Request for Operational Tradecraft Briefings
of DEA Officers

STATINTL REFERENCE : [REDACTED] para 2, dtd 30 Aug 73

The attached request is self explanatory and contains most of the information requested in reference. There would be no extraordinary costs involved beyond the salaries of participating personnel. One staff officer would be required to put the curriculum together and preside over the session. [REDACTED] of OTR's Functional Training Division will be the responsible officer. Until approval is received and talks held with [REDACTED] we cannot tell how much time will be required to set up the course. We would be hard pressed to plan and conduct such a course before late March or mid-April.
